

Appointment Prep

Dear Client!

Here is some information and preparations to make the most of your appointment with us. You should have received your invoice and Google Calendar invite separately. You can “reply all” to this email or upload/comment in the Google Drive. Payment is due prior to secure booking and is nonrefundable. You may transfer to another date with 72 hours' notice with a \$25 per staff rescheduling fee! Your beautician/s will be also part of this drive and can see your uploads and comments! Should you wish to leave gratuity for your beautician/s, please feel free to tip in cash or to staff's direct venmo/zelle on the day of the appointment. Also please notify us of any special parking instructions and note if money is required to park you will need to reimburse at time of appointment.

- **Please email or upload a few photos of hair and/or makeup for your desired look.** This will help you establish easier communication with the Kiss This Beauty Team. Do not be afraid to send photos of two or three different looks. Point out what you DO and DON'T like! A simple way to do it is to create a 2-column word document with likes and dislikes. Please also be sure to describe your hair and/or skin type!
- Please **inform us** (if you have not already) if you have your own clip in extensions, extra hair (thick or past bra strap), or want Hollywood/Retro Waves. This requires extra time and is an additional \$30 per service. If you do not inform us prior to your appointment, it will be at the beautician's discretion, and you may send Venmo to @KissThisMakeup or Zelle cost to office@kissthismakeup.com.
- Lashes are an additional \$30 per person.
- Airbrush is not included for Chicago, Dallas or Orlando (it is only included in South Florida rates) and is an additional \$30 per person and must be requested prior to booking.
- **Make sure to come fresh! Clean face, no makeup and hair cleaned the night before not the day of (allows for natural oils which will help with holding your style)! If you have hair on a thinner side that becomes oily easily, you may want to wash and blow-dry in the morning, feel free to inquire with us if unsure! Be sure to exfoliate the night before as well! Also be sure to have hair blown dry and/or straightened for better curls (ask if uncertain).**
- We DO NOT blow dry hair (unless booked for an additional cost) and we DO NOT offer eyebrow shaping (a hair or two needing a pluck is fine).

Please be sure to reach out to us with any questions you may have!

We look forward to meeting you and creating a wonderful look for your special day!
